

NNC14ZCH026R - NASA Glenn Research Center Technology Transfer Office Support Services –
Synopsis Questions and Answers

Q: Can you please tell me the current contract value and the number of FTEs working on the current contract?

A: Current contract ceiling: \$2,195,368.71
Current contract WYE's: 1.46

Q: In looking at the subject solicitation, I was wondering what was due July 31 according to the synopsis. Based on what I read, it looks like the next big date is the release of the RFP in early Aug 2014. Thanks for any additional information on what if anything is due by July 31.

A: Please refer to paragraph five of the synopsis. "Prospective offerors shall notify this office of their intent to submit an offer."
